## Joining God at FBC

Six Sundays a year, we offer a lunch following our worship service to discuss questions about theology and discover what our American Baptist Church is all about. This time of fellowship strengthens our bond as a church community. We encourage you to join us!

At First Baptist Church, we want you to know that having questions is okay... they are even welcome! Our hope is that our church would be a safe place to explore your questions and struggles with faith. We believe that asking and addressing these questions in the context of supportive community is healthy.

## What's the next step?

Just show up. We believe the first step is just being present. Join us for a Sunday service, check out one of our small groups, or simply have coffee with our Pastor.

## Worship Service Schedule

### 9:30 a.m. Church School (ages 2 and up)

There is a class for everyone! Join us as we study and discuss Jesus' teachings in small group settings. This time allows us to get to know each other and share our thoughts, struggles and joys and form lasting and meaningful relationships.

### 10:30 a.m. The Gathering

Please join the entire church in a fellowship time in Barker Hall. This is a great opportunity to meet people and enjoy a cup of coffee or tea before worship begins.

### 11:00 a.m. Worship (ages 3 and up)

Join us as we gather to sing God's praises, read scriptures, pray and be inspired to live in Christ's way rather than our own way.

Childcare is available for children 2 and under in the nursery during church school and worship. Children ages 3 thru kindergarten have childcare after the children's moment in worship.

## LOGOS

The LOGOS ministry is a weekly intergenerational experience for young people that creates an arena where all ages can learn about and experience Christian relationships. Building this sense of community is critical for developing life-long disciples.

This program, for children age 3 through senior high, is as much fun for them as it is for the adult leaders! Weekly sessions are held on Wednesday evenings, September thru April from 4:15 to 7:30 p.m. The children participate in Bible Study, Worship Skills, Recreation Play and Family Time.

Students may be enrolled in the LOGOS Ministry anytime during the LOGOS year. The commitment of adult leaders makes this ministry happen. For more information about LOGOS or if you are interested in volunteering your time, please call Sandi Barlow at 309.662.4253 or e-mail the church office at info@fbcblm.org.
